LETTER REGARDING SUBMISSION OF ENGLISH TRANSLATION

Per the requirements of 37 CFR 1.52(d), filed herewith is a translation of the originally filed German language application into English, including 12 sheets of drawings with English text, and accompanying preliminary amendment. The English translation was provided to the undersigned attorney by the Applicant's German attorney, Bernhard Jungblut, who prepared and filed the German priority application, and is

accurate to the best of the undersigned attorney's knowledge and belief. The preliminary amendment includes no new matter, and is filed to make the claims and specification conform to U.S. practice and in proper idiomatic English. As the application was previously filed in German, a clean copy of the English translation is enclosed, as well as a preliminary amendment indicating the changes made to the English translation. It is respectfully requested that the amended English translation be used as the copy for examination purposes in the Patent Office.

FEES

While it is not believed that any fees are due relative to the filing of the English translation, the Commissioner is hereby authorized to charge any fees that may be due to the undersigned attorney's PTO Deposit Account No. 50-1047 accordingly.

Respectfully submitted:
